TITLE 8—ALIENS AND NATIONALITY

Chapter I—Immigration and Naturalization Service, Department of Justice

Subchapter B—Immigration Regulations

PART 150—ARREST AND DEPORTATION

ARREST AND DEPORTATION PROCEDURE

DECEMBER 12, 1949.

The following amendments to Chapter I, Title 8 of the Code of Federal Regulations, are hereby prescribed:

1. Paragraph (a) of § 150.3, *Issuance of warrants of arrests*, is amended to read as follows:

(a) If it is determined that a prima facie case for deportation has been established, a warrant of arrest shall be issued by the officer in charge of the appropriate district. In any case where the officer in charge of a district is in doubt as to whether the supporting evidence establishes a prima facie case for deportation or where the alien is believed to be deportable under the provisions of the act of October 16, 1918, as amended (40 Stat. 1012, 41 Stat. 1008-9, 54 Stat. 673, 62 Stat. 268 (Pub. Law 552, 80th Cong.); 8 U. S. C. 137), a full report of the case shall be submitted to the Commissioner together with the available evidence before the issuance of a warrant of arrest. If the Commissioner determines that a prima facie case for deportation has been established, the officer in charge of the district shall be so advised. If it is determined by the Commissioner that a prima facie case for deportation has not been established, the officer in charge of the district will be so advised.

2. Paragraphs (d), (e) and (f) of § 150.3 are revoked.

3. Section 150.11a is amended to read as follows:

§ 150.11a *Special procedure; voluntary departure permitted by officers in charge.* Notwithstanding any other provisions of this part, the authority conferred upon the Attorney General by subsection (c) (1) of section 19 of the Immigration Act of 1917, as amended (39 Stat. 889, 54 Stat. 671, 56 Stat. 1044, 62 Stat. 1206; 8 U. S. C. 155), to permit certain deportable aliens to depart from the

United States to any country of their choice at their own expense in lieu of deportation, may be exercised by any officer in charge of a district or suboffice before or after the issuance of a warrant of arrest and at any time prior to the issuance of an order of deportation or the forwarding of the record to the Commissioner: *Provided*, (a) That the alien is willing and able to depart promptly from the United States, (b) that he will apparently be admitted to the country of destination, (c) that the prompt departure of the alien will be advantageous to the Government, and (d) that the alien is not subject to deportation upon any ground set forth in section 19 (d) of the Immigration Act of February 5, 1917, as amended.

This order shall become effective on the date of its publication in the *FEDERAL REGISTER*. This order sets forth several procedural amendments to Part 150, Title 8 of the Code of Federal Regulations. The requirements of section 4 of the Administrative Procedure Act (60 Stat. 238; 5 U. S. C. 1003), as to notice of proposed rule making and delayed effective date are inapplicable for the reason that the amendments which have been included in the above-mentioned Part 150 pertain solely to agency procedure.

TITLE 14—CIVIL AVIATION

Chapter I—Civil Aeronautics Board

[Regs., Serial No. SR-340]

PART 24—MECHANIC CERTIFICATES

LIMITED MECHANIC CERTIFICATE WITH PROPELLER OR AIRCRAFT APPLIANCE RATING; SPECIAL CIVIL AIR REGULATION

Adopted by the Civil Aeronautics Board at its office in Washington, D. C., on the 27th day of December 1949.

Special Civil Air Regulation SR-332 authorizes the issuance of a limited mechanic certificate with propeller or appliance rating to an individual employed by a manufacturer or repair station. This regulation expires December 31, 1949.

On December 16, 1949, there was published in the *FEDERAL REGISTER* a notice of proposed rule making with respect to Part 24 which indicated our intention to extend the provisions of the aforementioned Special Civil Air Regulation. This proposal has also been given wide circulation to the aviation industry as a draft release. Upon the completion of normal rule-making procedures, it is expected that a new revised Part 24 will be promulgated by the Board to be effective prior to July 31, 1950. In view of the

fact that present Part 24 makes no provision for the issuance of certificates for propeller or appliance mechanics, it is believed necessary to extend the authorization currently provided in Special Civil Air Regulation SR-332 until that date.

For the reasons stated above, notice and public procedures hereon are impracticable. Since no additional burden is imposed on any person, the amendment may be made effective without prior notice.

In consideration of the foregoing the Civil Aeronautics Board hereby makes and promulgates the following Special Civil Air Regulation effective January 1, 1950:

A mechanic certificate with a propeller or aircraft appliance rating, excepting a parachute rating, may be issued by the Administrator of Civil Aeronautics to an individual who is employed and designated by either a manufacturer holding a currently effective propeller or aircraft appliance production certificate or by an applicant for, or the holder of, a repair station certificate with a propeller or aircraft appliance rating. The individual must be in direct charge of the inspection, overhaul, or repair of propellers or aircraft appliances, and his experience and employment record must indicate that he is competent to engage in such activity. The individual to whom a certificate is issued shall exercise the privileges of his certificate only with respect to the work performed for such manufacturer or repair station and through the use of facilities provided by the manufacturer or repair station.

This regulation supersedes Special Civil Air Regulation Serial Number SR-332, and shall terminate July 31, 1950, unless sooner superseded or rescinded.

(Sec. 205 (a), 52 Stat. 984; 49 U. S. C. 425 (a). Interpret or apply Secs. 601, 602, and 607, 52 Stat. 1007, 1008, and 1011; 49 U. S. C. 551, 552, a-d 557)

By the Civil Aeronautics Board.

[SEAL] M. C. MULLIGAN,
Secretary.

DEPARTMENT OF THE TREASURY

STATEMENTS OF ORGANIZATION

The statements with respect to the organization of the Office of the Secretary and Bureaus, Divisions, and Offices performing chiefly staff and service functions are revised to read as follows:

OFFICE OF THE SECRETARY AND BUREAUS, DIVISIONS, AND OFFICES PERFORMING CHIEFLY STAFF AND SERVICE FUNCTIONS

SECTION 1. *Secretary of the Treasury.*

(a) The Secretary of the Treasury, appointed by the President by and with the advice and consent of the Senate, is the head of the Department of the Treasury, which carries out the varied duties and responsibilities imposed upon him. The Department was established by the Act of September 2, 1789, (1 Stat. 65; 5 U. S. C. 241-242), which concluded a description of the duties of the Secretary by providing that he should "perform all such services relative to the finances, as he shall be directed to perform".

(b) The immediate staff of the Secretary includes the Under Secretary, two Assistant Secretaries, the Fiscal Assistant Secretary, the General Counsel, the Administrative Assistant to the Secretary, the Director of the Technical Staff, and a varying number of Assistants and Special Assistants to the Secretary.

(c) The Secretary of the Treasury serves as a member of various boards, committees, and other organizations. He is Chairman of the National Advisory Council on International Monetary and Financial Problems, which includes as its other members the Secretary of State, the Secretary of Commerce, the Chairman of the Board of Governors of the Federal Reserve System, the Chairman of the Board of Directors of the Export-Import Bank of Washington, and the Administrator for Economic Cooperation. The purpose of the Council is to coordinate the policies and operations of the representatives of the United States on the International Monetary Fund and the International Bank for Reconstruction and Development and of all agencies of the Government to the extent that they make or participate in making foreign loans or engage in foreign financial, exchange or monetary transactions.

(d) The Secretary is the Managing Trustee of the Board of Trustees of the Federal Old-Age and Survivors Insurance Trust Fund, composed of the Secretaries of Treasury and of Labor and the Federal Security Administrator. This fund results from the extensive contributions and collections from which Social Security benefits are paid. The duties of the Managing Trustee include the investment in interest-bearing obligations of the United States or obligations guaranteed as to both principal and interest by the United States of such portion of the fund as is not, in his judgment, required to meet current withdrawals; the sale at the market prices of any obligations acquired by the fund, except special obligations issued exclusively to the fund

(which may be redeemed at par plus accrued interest); and the payment into the Treasury from the trust fund of amounts estimated to be adequate to reimburse for a 3-month period the expenditures incurred in connection with the administration of certain provisions of the Social Security Act. The annual report of the Board of Trustees of the Federal Old-Age and Survivors Insurance Trust Fund, reporting the status of the Fund, is submitted to the Congress on the first day of each regular session.

(e) The Secretary of the Treasury is also United States Governor of the International Bank for Reconstruction and Development and of the International Monetary Fund; Chairman, Library of Congress Trust Fund Board; member, Advisory Board of the Export-Import Bank of Washington; National Security Resources Board; National Munitions Control Board; Foreign-Trade Zones Board; Joint Committee on Reduction of Non-essential Federal Expenditures; Executive Committee of the Federal-State Committee on Fiscal Policies of the Council of State Governments; Board of Trustees of the Postal Savings System; Smithsonian Institution; National Park Trust Fund Board; Foreign Service Buildings Commission; Board of Trustees of the National Gallery of Art; National Archives Council; and Trustee, Franklin D. Roosevelt Library. The Secretary is honorary Treasurer, and Chairman of the Board of Trustees of the Endowment Fund, of the American National Red Cross.

SEC. 2. *Under Secretary.* Except for the Secretary, the Under Secretary is the chief officer of the Treasury, and is the first officer of the Department to act as Secretary in case of the absence or sickness of the Secretary himself. There have been assigned to his supervision the United States Coast Guard, Bureau of the Mint, Bureau of Engraving and Printing, Bureau of Narcotics, Comptroller of the Currency, United States Secret Service, Chief Coordinator, Treasury Enforcement Agencies, and Committee on Practice. The Under Secretary is usually designated by the President as a member of the Board of Governors of the American National Red Cross and acts as its treasurer.

SEC. 3. *Assistant Secretaries.* (a) Two Assistant Secretaries are provided for the Department by statute, and they are required to perform such duties as may be prescribed by the Secretary or by law. They are authorized to act as Secretary of the Treasury in certain instances of absence or sickness of the Secretary and the Under Secretary.

(b) There is assigned to one Assistant Secretary the supervision of the Bureau of Customs, the Tax Advisory Staff of the Secretary, and the United States Savings Bonds Division. This Assistant Secretary also supervises certain ad-

One of these, the Assistant General Counsel for the Bureau of Internal Revenue, has the operating title of "Chief Counsel" of that Bureau.

(d) In case of absence or sickness of the Secretary, the Under Secretary and the Assistant Secretaries, the General Counsel is authorized to act as Secretary of the Treasury.

(e) The General Counsel has supervision over the Tax Legislative Counsel and advises the Secretary on technical and legal aspects of tax policy and tax legislation. He has general authority over matters relating to the Fiscal Service which are not required by law to be personally exercised by the Secretary (including the waiver in certain cases of relevant Treasury regulations), and performs such other duties as the Secretary directs.

(c) The Fiscal Assistant Secretary directs the performance of the fiscal agency functions of the Federal Reserve banks; exercises supervision over the current cash position of the Treasury; prepares calls for the withdrawal of funds from special depositories to meet current expenditures; and directs the transfer of Government funds between Federal Reserve banks.

(d) Under appointment by the President of the United States, confirmed by the Senate, the Fiscal Assistant Secretary serves as United States delegate to the Fiscal Commission of the Economic and Social Council of the United Nations.

ANNUAL SURVEYS OF SPECIFIED MANUFACTURED PRODUCTS

In conformity with the Act of Congress approved June 19, 1948, 62 Stat. 478, and due Notice of Consideration having been published (14 F. R. 7185, November 29, 1949) pursuant to said act, I have determined that annual data relating to the industries listed below are needed to aid the efficient performance of essential governmental functions and have significant application to the needs of the public and industry and are not publicly available from nongovernmental or other governmental sources.

The industries listed below are significant in the textile and apparel, pulp and paper, paint, clay, asphalt, and primary metal and metal product areas of manufacturing. The establishments in these industries directly employ more than a million persons and, indirectly through their demands upon other industries for materials and services, provide jobs for several times that number. Information on the output of these industries is necessary to an adequate measurement of total industrial production. Government agencies need data on the production of these industries. Manufacturers in the industries involved, as well as their suppliers and customers and the general public, have also requested such data in the interest of business efficiency and stability.

The content of these annual reports will be identical with that of monthly or

quarterly reports conducted by the Bureau of the Census on the same group of products. However, there will be no duplication inasmuch as establishments that file the monthly or quarterly reports during the year covered by the annual report will not need to submit annual reports on these products.

Information will be collected annually, beginning in 1950, covering each preceding calendar year from establishments engaged in the production of the following products:

Cotton broad woven goods.
Rayon and related broad woven goods.
Woven fabrics made on woolen and worsted looms.
Knit cotton and wool underwear.
Pulp and paper.
Paint, varnish, lacquer, and filler.
Clay construction products.
Asphalt and tar roofing and siding products.
Cast iron products.
Steel castings.
Nonferrous castings.
Steel forgings.
Heating and cooking equipment.
Fans, blowers, unit heaters and accessory equipment.
Truck trailers.

In addition, data on wool consumption and machinery activity will be obtained from wool manufacturers.

The report forms will require information on shipments and/or production from the selected establishments. For "Pulp and paper," inventory and materials-consumption data will also be required. For "Heating and cooking equipment," inventories and unfilled orders will be obtained. Unfilled orders will also be requested from establishments producing castings and steel forgings, and machinery activity will be asked of establishments in the textile industries.

The above information will be required of establishments of the types described above, and the report forms will be sent each year to companies operating such establishments. Blank copies of the forms to be used are available to the producers of the listed commodities on request to the Director of the Census, Washington 25, D. C.

I have, therefore, directed that annual surveys be conducted for the purpose of collecting the data hereinabove described.

Dated: December 30, 1949.

Acting Director.

FEDERAL POWER COMMISSION

[Docket No. G-1307]

ALUM ROCK GAS CO.

ORDER SUSPENDING RATE TARIFF

DECEMBER 20, 1949.

On November 7, 1949, Alum Rock Gas Company (Applicant) filed with the Commission its proposed FPC Gas Tariff, Original Volume No. 1, proposing to increase the rates and charges set out in its Rate Schedules FPC No. 1 and FPC No. 2 for natural gas sold by it at wholesale in interstate commerce.

The proposed change represents an increase equivalent to approximately 8 cents per Mcf. It appears from the application that the proposed change in rates will result in increased charges by Applicant to United Natural Gas Company, its only wholesale customer, in an amount of approximately \$53,000 annually.

In support of such proposed increase, Applicant avers, inter alia, that approximately 96% of its output is sold to United Natural Gas Company, and that its present rates and charges to said company are so low as to have resulted in a deficit in net utility income for the 12 months ended August 31, 1949, of \$28,427, and in a net deficit in net utility income for the calendar years 1944 to 1948, inclusive, of \$67,482.

A protest against the increased rates has been filed with the Commission by United Natural Gas Company.

The rates, charges and classifications set forth in Applicant's proposed FPC Gas Tariff, Original Volume No. 1, may be unjust and unreasonable, and may place an undue burden upon the ultimate consumers of natural gas.

The Commission finds: It is necessary and desirable in the public interest that the Commission enter upon a hearing concerning the lawfulness of the rates, charges and classifications set forth in Alum Rock Gas Company's FPC Gas Tariff, Original Volume No. 1, above referred to, and that said tariff be suspended pending hearing and decision thereon.

The Commission orders:

(A) A public hearing be held commencing on February 20, 1950, at 10:00 a. m. e. s. t. in the Hearing Room of the Federal Power Commission, 1800 Pennsylvania Avenue NW., Washington, D. C., concerning the lawfulness of the rates, charges and classifications, subject to the jurisdiction of the Commission, as set forth in the aforesaid FPC Gas Tariff, Original Volume No. 1, filed by Alum Rock Gas Company.

(B) Pending such hearing and decision thereon, said tariff be and the same is hereby suspended and use deferred of such rates, charges and classifications until June 1, 1950, or until such time as said tariff shall be made effective in the manner prescribed by the Natural Gas Act.

(C) Interested State commissions may participate in this proceeding as provided by §§ 1.8 and 1.37 (f) of the Commission's rules of practice and procedure.

Date of issuance: December 21, 1949.

CENTRAL VERMONT PUBLIC SERVICE
CORP. ET AL.

MEMORANDUM OPINION AND ORDER GRANTING
APPLICATION AND PERMITTING DECLARA-
TION TO BECOME EFFECTIVE

At a regular session of the Securities and Exchange Commission held at its office in the city of Washington, D. C., on the 28th day of December A. D. 1949.

In the matter of Central Vermont Public Service Corporation, Connecticut Valley Electric Company, Inc., New England Public Service Company, and Northern New England Company, File No. 70-2075.

An application-declaration and amendments thereto have been filed with this Commission, pursuant to the public Utility Holding Company Act of 1935, by Central Vermont Public Service Corporation ("Central Vermont"), Connecticut Valley Electric Company, Inc. ("Connecticut Valley"), New England Public Service Company ("NEPSCO"), and Northern New England Company ("Northern"). Central Vermont, a Vermont corporation, is a public-utility subsidiary of NEPSCO, a registered holding company which in turn is a subsidiary of Northern, also a registered holding company. Connecticut Valley is a newly organized New Hampshire corporation formed for the purpose of acquiring from Central Vermont certain properties of the latter.

Applicant-declarants propose to enter into the following transactions:

Central Vermont proposes to acquire all of the outstanding stock of Connecticut Valley, consisting of 40 shares of common stock, \$25 par value, from Albert A. Cree, president of Central Vermont and of Connecticut Valley, at \$25 per share, the price at which Cree acquired the stock upon the organization of the company in December 1948. Central Vermont and Connecticut Valley propose thereupon to transfer to Connecticut Valley those properties of Central Vermont located in the State of New Hampshire with which Central Vermont represents it carries on an intrastate electric utility business, as well as the franchises and other assets pertaining thereto, in exchange for the issuance by Connecticut Valley to Central Vermont of 13,960

shares of common stock, \$25 par value, plus \$472,000 principal amount of First Mortgage 4% Bonds, maturing 30 years from date of issue.

The application states that the bonds of Connecticut Valley received by Central Vermont will be pledged under the indenture securing Central Vermont's outstanding bonds.

The application further states that, contemporaneously with the transfer of the properties referred to above, Central Vermont and Connecticut Valley will enter into agreements whereby Central Vermont will furnish certain engineering, accounting and other services to Connecticut Valley, which Central Vermont represents will be at cost in accordance with Rule U-90 under the act, and whereby Central Vermont will also supply electricity to Connecticut Valley.

The Public Service Commission of New Hampshire by order of October 23, 1929, as most recently amended by order of July 31, 1936, required that Central Vermont transfer its New Hampshire properties to a New Hampshire corporation. By order of October 7, 1949, that Commission has declared that the proposed transactions will constitute compliance with its order of October 23, 1929, as amended, and has authorized the transfer of the properties described above and the issuance and acquisition of securities in connection therewith as set forth above. The application states that the proposed transactions are not subject to the jurisdiction of the Public Service Commission of Vermont.

Notice of the filing of said application-declaration having been given in the form and manner prescribed by Rule U-23 and the Commission not having received a request for hearing within the time specified in said notice, or otherwise, and not having ordered a hearing thereon;

The Commission finding that, while the proposed transactions will result in the creation of a holding company in the third degree, outstanding orders of the Commission, entered pursuant to section 11 (b) (2) of the act, require the dissolution of the two top holding companies in Northern's holding-company system; that the Commission's order of August 4, 1948, requires that the continued existence of Northern be terminated; that the Commission's order of May 2, 1941, requires that NEPSCO be recapitalized on a one-stock basis or liquidated; and that NEPSCO has stipulated in that proceeding (File No. 59-15) that it has elected to liquidate; and

The Commission therefore finding with respect to said application-declaration, as amended, that the requirements of the applicable provisions of the act and the rules thereunder are satisfied, observing no basis for adverse findings, and deeming it appropriate in the public interest and in the interest of investors and consumers that said application-declaration, as amended, be granted and permitted to become effective and that, in accordance with applicant-declarants' request, the order herein become effective upon its issuance:

It is ordered, Pursuant to Rule U-23 and the applicable provisions of the act,

subject to the terms and conditions prescribed in Rule U-24, that said application-declaration, as amended, be and hereby is granted and permitted to become effective forthwith.

By the Commission.

COLUMBIA GAS SYSTEM, INC.

NOTICE OF FILING

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 23d day of December 1949.

Notice is hereby given that a declaration has been filed with this Commission pursuant to the Public Utility Holding Company Act of 1935 by The Columbia Gas System, Inc. ("Columbia"), a registered holding company. Declarant has designated sections 7 and 12 of the act and Rules U-42 and U-50 promulgated thereunder as applicable to the proposed transaction.

Notice is further given that any interested person may, not later than January 6, 1950, at 5:30 p. m., e. s. t., request the Commission in writing that a hearing be held on such matter, stating the reasons for such request, the nature of his interest and the issues of fact or law raised by said declaration which he desires to controvert, or may request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. At any time after January 6, 1950, said declaration, as filed or as amended, may be permitted to become effective as provided in Rule U-23 of the Rules and Regulations promulgated under the act or the Commission may exempt such transaction as provided in Rules U-20 (a) and U-100 thereof.

All interested persons are referred to said declaration which is on file in the office of this Commission for a statement of the transaction therein proposed, which is summarized as follows:

Columbia proposes to sell, at competitive bidding, 304,998 shares of its common stock, no par value. These shares are the unsubscribed for shares out of a total of 1,345,300 shares offered to the stockholders of Columbia on May 24, 1949, at a subscription price of \$10 per share. The proceeds from the proposed sale will be used by Columbia to finance in part its 1950 construction requirements.

Columbia proposes, if necessary and desirable, to stabilize the price of its common stock for the purpose of facilitating the proposed sale of the common stock. In connection therewith, Columbia may, for a period of 24 hours prior to the opening of bids purchase shares of its common stock on the New York Stock Exchange and/or The Pittsburgh Stock Exchange, such purchases to be made

through brokers with the payment of the regular stock exchange commissions.

With respect to such stabilizing Columbia will at no time acquire a net long position of shares of its common stock in excess of 30,500 shares and prior to selling shares of common stock purchased pursuant to its stabilization operations, Columbia will file a post-effective amendment to this declaration setting forth the terms and conditions upon which such shares will be sold or disposed of.

By the Commission.
